

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: January 31, 1996

SUBJECT: **SB 2169**

This bill, if enacted, will create the *County Personnel Management System Act of 1996*.

The fiscal impact on local governments from enactment of this bill in and of itself is estimated to be minimal since the provisions of the bill are permissive.

The fiscal impact from enactment of this bill is estimated to be an increase in local government expenditures to the extent that counties adopt the system and employ and provide compensation to board directors and attorneys. Such increase cannot be determined but is estimated to exceed \$100,000 if several counties choose to adopt the management system.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

James A. Davenport, Executive Director
